Outreach Materials

Medicaid Transformation is changing the way most people receive Medicaid services. Most people will participate in NC Medicaid Managed Care. They will have to choose a health plan and primary care provider. A small number of people will continue to get Medicaid services through Medicaid Direct. An Enrollment Broker will help beneficiaries choose which health plan is best for them.

These outreach materials were developed by the Enrollment Broker for county agencies and organizations. Materials include a small poster, fact sheet, half-page flyer, palm card and Q&A. All materials are available in English and Spanish and can be downloaded at medicaid.ncdhhs.gov/county-playbook-medicaid-managed-care. They are designed to be easily printed at low-cost.

Format:

- Standard ledger/tabloid size (11" x 17")

THERE IS A NEW WAY TO GET MEDICAID HEALTH CARE

Most people will get the same Medicaid services in a new way – through health plans. You will be able to choose the health plan that is best for you. A health plan is a group of doctors, hospitals and other providers. They work together to give you the health care you need. Everything – physical health, mental health and medicine – will come from the same health plan.

You will also choose a primary care provider (PCP). A PCP could be your family doctor, clinic or other health care provider. They will help you with your health care needs.

Most people receiving Medicaid must choose a health plan. A small number of people will not need to choose a health plan because of the type of health services they need. They will stay enrolled in NC Medicaid Direct.

WHAT YOU NEED TO DO

- 1 Choose a primary care provider (PCP)**

Health plans work with different PCPs. To keep your doctor, clinic or other health care provider as your PCP, find out which health plan they work with. You can also choose a new PCP. For a list of doctors for each health plan, go to ncmedicaidplans.gov, use the NC Medicaid Managed Care mobile app or call us toll free at 1-833-870-5500 (TTY: 1-833-870-5588). If you do not choose a PCP, your health plan will choose one for you.
- 2 Choose a health plan in NC Medicaid Managed Care**

Compare the health plans and choose the best one for you. These are the health plans available in NC Medicaid Managed Care:
